

Employee Benefits

Milk Specialties Global recognizes that the dedication of our employees helps drive the success of our company. We strive to reward and pay our employees competitively so we can attract and retain talent with the skills and work ethic necessary to develop our business. We know that offering a competitive benefits package is just one way of positively impacting the lives of our employees and their families. Our benefits package includes:

- Medical, dental, vision and prescription drug coverage
- Flexible Spending options
- Health Savings Account options
- Basic and voluntary life insurance
- Short Term and Long Term Disability
- 401(k) Savings Plan with generous company match

Career

Milk Specialties Global encourages internal growth and development through different trainee and leadership development programs. We continue to recognize employees through our MADE (Milk Appreciates Dedicated Employees) program.

Community

Milk Specialties Global takes pride in giving back to the local communities where our employees live and work. This past year, through our Whey Better Communities program, MSG has financially contributed to the following organizations:
